

**South St. Paul Garden Club**

**Application for Participation on the  
2018 South St. Paul Garden Club Garden Tour  
Sunday, June 24, 2018  
10 a.m. to 4 p.m.**

All gardens selected for the tour will be mature or unique gardens with a variety of perennial and annual displays. Gardens of any size or theme are considered and although South St. Paul gardens are preferred, locations in Inver Grove, West St. Paul and the West Side will also be considered. Spaces with unusual design, interesting garden art or diverse use of planting areas are of particular interest. Areas leading to the garden such as driveways, paths, sidewalks, etc., are expected to be neat and safe for visitors. The South St. Paul Garden Club Tour Committee reserves the right to make the final selection of gardens to be included on the tour.
